Re: Order U-11915 – Statistical Data Report - 2023
Nordic Energy Services, LLC

Attn: MPSC Staff

Per license Order U-11915, dated June 2000. Please find the 2023 Statistical Data Report for Nordic Energy Services, LLC ("Nordic") enclosed.

Nordic did not serve customers in the state of Michigan during the 2023 calendar year. Therefore, it does not have data to report and confirms the form is accurately completed.

Please contact the undersigned with any questions or concerns regarding this submission.

Respectfully Submitted,

/s/ Ryan Conway

On behalf of Nordic Energy Services, LLC

STATISTICAL DATA REPORTING FORM

For Calendar Year ending: 12/31/2023

This form is required* to be filed annually**, on a calendar year basis, by all alternative electric suppliers providing electric generation service to retail customers in Michigan.
Revenue and price information should be for power sales only.***

Name: **Nordic Energy Services, LLC**

Address: 1 Tower Lane, STE 300, Oakbrook Terrace, IL 60181

FERC Authorization Number: F228495

			Revenue		Weighted Average Price (Kwh)	
Customer Class	**Number of Customers**	**Sales (Mwh's)**	**Total**	**w/o T&D and Ancillary Services**	**Total**	**w/o T&D and Ancillary Services**
Residential						
Small Secondary - (less than 20 Kw's of demand)	-	-	$ -	$ -	$ -	0
Large Secondary/Primary: (more than 20 Kw's of demand	-	-	$ -	$ -	$ -	0
Less than 1 Mw -	-	-	$ -	$ -	$ -	0
More than 1 Mw -	-	-	$ -	$ -	$ -	0
Annual Total -	-	-	$ -	$ -	$ -	0

* Per license Order U-11915, dated June, 2000

** This form must be filed by March 1 following the reporting year.

*** This column should include only the price of power charged to the retail customers. It should exclude transmission costs, distribution costs, and the cost of Ancillary services if any of these costs are included in the total column. Ancillary services are defined in Consumers Energy and Detroit Edison's open access tariffs and consist of the following:

Scheduling, System Control and Dispatch Service
Reactive Supply and Voltage Control from Generation Sources
Energy Imbalance Service, including Imbalances outside the Deviation Band
Operation Reserve - Spinning Reserve Service
Operating Reserve - Supplemental Reserve Service

Attach any quarterly transactions reports covering power purchases at market based rates made to the Federal Energy Regulatory Commission during this reporting year.
