Re: Case No. U-14838

Dear Mr. Walsh:

This is in response to your recent letter to the Michigan Public Service Commission regarding the Commission's March 23, 2006 order in Case No. U-14838. The Commission ordered The Detroit Edison Company to show cause why its retail electric rates should not be reduced. The Commission directed the company to file testimony and exhibits regarding the reasonableness of its rates by June 1, 2006. Because this case is now being litigated before the Commission, I am responding to your comments.

Thank you for your comments. Please be assured that your letter has been placed in our file for this case and is available to the Commission for review.

Sincerely,

Mary Jo Kunkle
Executive Secretary
