Re: Case No. U-14861

Dear Mr. & Mrs. Klebba:

This is in response to your recent letter to the Michigan Public Service Commission regarding the application of International Transmission Company, d/b/a ITC Transmission, for a certificate of public convenience and necessity to construct a transmission line other than major in Genoa, Hartland, Oceola, Milford and Brighton. Because this case is now being litigated before the Commission, I am responding to your comments.

A prehearing conference is scheduled for July 13, 2006 at 9:00 a.m. at the Michigan Public Service Commission's Lansing office to determine future hearing dates and other procedural matters. A copy of the notice is enclosed.

Thank you for your comments. Please be assured that your letter has been placed in our file for this case and is available to the Commission for review.

Sincerely,

Mary Jo Kunkle
Executive Secretary
