STATE OF MICHIGAN

BEFORE THE MICHIGAN PUBLIC SERVICE COMMISSION

In Re the request for Commission approval of An interconnection agreement between New Edge Network, Inc. and Ameritech Michigan	))))	Case No. U-12627

JOINT APPLICATION

AT&T Michigan[1] and Windstream New Edge, LLC f/k/a Earthlink Business, LLC (Windstream), hereby jointly apply to the Michigan Public Service Commission (Commission) pursuant to Section 203(1) of the Michigan Telecommunications Act (MTA), as amended, MCL 484.2203(1), and Section 252(e) of the Telecommunications Act of 1996 (the Act), 47 U.S.C. § 252(e), for approval of the Sixteenth Amendment to the interconnection agreement between the parties heretofore approved by the Commission on October 6, 2000 (Agreement). In support of this joint application, AT&T Michigan and Windstream state as follows:

1. The parties have entered into good faith negotiations and have executed a Sixteenth Amendment to the Agreement. The Sixteenth Amendment to the Agreement, fully executed as of April 9, 2020, modifies certain provisions of the Agreement related to Operations Support Systems and/or Data Connection Security Requirements.[2] In addition, the Sixteenth Amendment changes the name of the carrier from Earthlink Business, LLC to

[1] Michigan Bell Telephone Company (previously referred to as "Michigan Bell" or "SBC Michigan") operates under the name "AT&T Michigan" pursuant to an assumed name filing with the State of Michigan.

[2] On February 25, 2019, Windstream Holdings, Inc. and certain of its affiliates each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The chapter 11 cases are jointly administered under Case No. 19-22312 in the United States Bankruptcy Court for the Southern District of New York. Debtor entity Windstream New Edge, LLC ("Windstream") is party to that certain interconnection agreement (the "Agreement") with AT&T Michigan ("AT&T", and together with Windstream, the "Parties") in the State of Michigan. Windstream continues to operate under the Agreement. The Parties have agreed to amend the Agreement as detailed herein. Such amendment of the Agreement does not violate any provision of the Bankruptcy Code, including the automatic stay under section 362 of the Bankruptcy Code, and no provision of the Bankruptcy Code prevents Windstream from entering into such amendment in the ordinary course of business.

Windstream New Edge, LLC. A copy of the Sixteenth Amendment to the Agreement, duly executed by the Parties, is submitted with this joint application as Exhibit A.

2. The Sixteenth Amendment is the result of voluntary negotiations and must be submitted to the Commission for its approval or rejection pursuant to Section 252(e)(1) of the Act. The Sixteenth Amendment meets all statutory criteria for Commission approval.

WHEREFORE, AT&T Michigan and Windstream jointly request Commission approval of the Sixteenth Amendment to the Agreement pursuant to MTA §203(1) and §252(e) of the Act as soon as possible.

Respectfully submitted,

Windstream New Edge, LLC

AMENDMENT TO THE AGREEMENT BETWEEN CARRIER AND AT&T

This Amendment (the "Amendment") amends the Agreements by and between AT&T and CARRIER as shown in the attached Exhibit A.

WHEREAS, AT&T and CARRIER are Parties to the Agreement(s) as shown in the attached Exhibit A.

WHEREAS, CARRIER has changed its legal name and wishes to reflect that name change as set forth herein; and

WHEREAS, the Parties desire to modify certain provisions related to Operations Support Systems (OSS) and/or Data Connection Security Requirements; and

NOW, THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. The Amendment is composed of the foregoing recitals, the terms and conditions, contained within, and Exhibit A-Listing of Agreements, all of which are hereby incorporated within this Amendment by this reference and constitute a part of this Amendment.
2. The Agreements are hereby amended to reflect the name change from the CARRIER's Previous Legal Name to CARRIER's New Legal Name as shown in Exhibit A.
3. AT&T shall reflect that name change only for the main billing account (header card) for each of the accounts previously billed to CARRIER. AT&T shall not be obligated, whether under this Amendment or otherwise, to make any other changes to AT&T's records with respect to those accounts, including to the services and items provided and/or billed thereunder or under the Agreement(s). Without limiting the foregoing, CARRIER affirms, represents, and warrants that the ACNA and OCN for those accounts shall not change from that previously used by CARRIER with AT&T for those accounts and the services and items provided and/or billed thereunder or under the Agreement(s) that its ACNA and OCN for these accounts have not changed from those previously used by CARRIER with AT&T as a result of said name change and that CARRIER is both entitled and authorized by the appropriate issuing authority to use those Company Code(s) (ACNA/CIC/OCN).
4. Once this Amendment is effective, CARRIER shall operate with AT&T under the CARRIER's New Legal Name for those accounts. Upon mutual agreement, and by way of example only, such operation may include, CARRIER submitting orders under CARRIER's New Legal Name, and making reasonable efforts to change labeling (including re-labeling equipment and facilities with CARRIER's New Legal Name. Should CARRIER desire to change its name on individual circuits and/or End User records, CARRIER must submit the appropriate service request(s) to AT&T to update CARRIER's name on individual circuits and/or End User records, and CARRIER is responsible for all applicable processing/administration and nonrecurring charges for each of those service request(s).
5. The Parties agree to replace and/or add the following language in the Operations Support Systems (OSS) Attachment/Appendix of the Agreements:

OSS.1 Data Connection Security Requirements

OSS.1.1 CLEC agrees to comply with AT&T data connection security procedures as set forth on the AT&T CLEC Online website as they may change from time to time, including but not limited to procedures on joint security requirements, information security, user identification and authentication, network monitoring, and software integrity. To the extent there is a conflict between this Amendment and the Competitive Local Exchange Carrier (CLEC) Operations Support Systems (OSS) Procedures, the CLEC OSS Interconnection Procedures shall govern.

OSS.1.2 CLEC agrees that the interconnection of CLEC data facilities with AT&T data facilities for access to OSS will be in compliance with AT&T's "Competitive Local Exchange Carrier (CLEC) Operations Support

System Interconnection Procedures" document, which is revised from time to time and posted to the AT&T CLEC Online website.

6. This Amendment shall be deemed to revise the terms and provisions of the Agreement only to the extent necessary to give effect to the terms and provisions of this Amendment. In the event of a conflict between the terms and provisions of this Amendment and the terms and provisions of the Agreement (including all incorporated or accompanying Appendices, Addenda, and Exhibits to the Agreement), this Amendment shall govern, provided, however, that the fact that a term or provision appears in this Amendment but not in the Agreement, or in the Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Amendment.

7. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law or under the intervening law or regulatory change provisions in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.

8. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.

9. EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.

10. Signatures by all Parties to this Amendment are required to effectuate this Amendment. This Amendment may be executed in counterparts. Each counterpart shall be considered an original and such counterparts shall together constitute one and the same instrument.

11. For Alabama, Florida, Georgia, Illinois, Indiana, Kansas, Kentucky, Louisiana, Michigan, Mississippi, Missouri, Nevada, North Carolina, Oklahoma, South Carolina, Tennessee, Texas: This Amendment shall be filed with and is subject to approval by the applicable state Commission and shall become effective ten (10) days following approval by such Commission. For Arkansas: This Amendment shall be filed with the Arkansas Public Service Commission and shall become effective upon filing. For Ohio: Based on the Public Utilities Commission of Ohio Rules, the Amendment is effective upon filing and is deemed approved by operation of law on the 91st day after filing. For California: Pursuant to Resolution ALJ 257, this filing will become effective, absent rejection of the Advice Letter by the Commission, upon thirty (30) days after the filing date of the Advice Letter to which this Amendment is appended. For Wisconsin: Pursuant to Wisconsin Statute § 196.40, this Amendment shall become effective ten (10) days after the mailing date of the final order approving this Amendment.
