A CMS Energy Company

April 23, 2018

Dear Mr. Chislea,

Pursuant to the request made by Sarah Jorgensen regarding the planned main extension on Old Plank Road in Lyon Township, we are providing the requested information related to the Company's planned construction. The MPSC granted Mich Con (now DTE Gas Company) two certificates to serve customers in Lyon Township. The first was from Case No. U-10861 (Order dated April 26, 1996) and granted Mich Con Act 69 authorization to serve 21 specific customers in Sections 1 and 2 of Lyon Township. The second was from Case No. U-11598 (Order dated February 25, 1998) and granted Mich Con Act 69 authorization to serve 11 specific customers in Section 2 of Lyon Township.

Consumers Energy's Old Plank Road project will not serve any customers from Maranatha Lane going north along Old Plank Road to Pontiac Trail where new gas distribution main will be installed and will not conflict with DTE Gas's service to the customers identified in Case Nos. U-10861 or U-11598. The new main will be installed on the opposite side of the road of DTE Gas's existing main that runs south and ends just before Maranatha Lane.

Best Regards,
