Subject: AMENDMENT TO THE INTERCONNECTION AGREEMENT BETWEEN
VERIZON AND AT&T COMMUNICATIONS OF MICHIGAN INC.
MPSC CASE NO. U-11165

Dear Ms. Kunkle:

Enclosed for filing please find an original and three (3) copies of the joint application requesting approval of the Amendment to the Interconnection Agreement by and between Verizon North Inc. and Contel of the South, Inc. d/b/a Verizon North Systems ("Verizon") and AT&T Communications of Michigan Inc. ("AT&T").

Additional copies of the Interconnection Agreement are available on Verizon's website at:

http://www22.verizon.com/wholesale/library/tariffs/local/1,,contracts-mi_contracts-main,00.html

Sincerely,

A handwritten signature in cursive script that reads "Patty A. Nelson".

JOINT APPLICATION
FOR APPROVAL OF AN AMENDMENT TO AN INTERCONNECTION
AGREEMENT

AT&T Communications of Michigan Inc. ("AT&T"), Verizon North Inc., and Contel of the South, Inc. d/b/a Verizon North Systems (collectively, "Verizon") jointly submit to the Michigan Public Service Commission ("Commission") pursuant to Section 203(1) of the Michigan Telecommunications Act ("MTA"), as amended, *see* MCL §484.2203(1), and Sections 252(a)(1) and 252(e) of the Communications Act of 1934, as amended, ("Act"), *see* 47 U.S.C. §§252(a)(1) & 252(e), Amendment to an Interconnection Agreement ("Amendment"), by and between AT&T and Verizon for the Commission's approval. In support of this Joint Application, AT&T and Verizon state as follows:

1. AT&T is a certified provider of telecommunications services in the State of Michigan.
2. Verizon is an authorized provider of telecommunications services to the public in its various exchanges and zones throughout the State of Michigan.
3. The Commission approved an agreement between Verizon and AT&T on July, 16, 1999. Pursuant to Section 252(a) of the Act, AT&T and Verizon agreed to amend their

Interconnection Agreement with respect to DS0 Loop Charges and Resale Discount Rates.

This Amendment, attached to this petition as Exhibit 1, was negotiated voluntarily between Verizon and AT&T. Verizon and AT&T are requesting approval of this Amendment pursuant to 47 U.S.C. §§ 252(a)(1) and 252(e).

4. Among other things, this agreement amends the terms and conditions between Verizon and AT&T with respect to DS0 Loop Charges and Resale Discount Rates.

5. Under the Act, this Commission must approve the filed Amendment unless:

- (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or,
- (ii) the implementation of such an agreement or portion is not consistent with the public interest, convenience, and necessity. *See* 47 U.S.C. § 252(e)(2).

6. The Amendment must be submitted to this Commission for approval or rejection, with written findings as to any deficiencies. *See* 47 U.S.C. § 252(a)(1).

7. Since the Amendment is the result of voluntary negotiations between the parties, the Amendment is not subject to review under the standards set forth in Section 251 or 252(2)(d) of the Act. *See* 47 U.S.C. § 252(d)(2)(B). Nor do agreements voluntarily negotiated between or among parties have to comply with the standards set forth in 47 U.S.C. §§ 251(b) & (c). *See* 47 U.S.C. § 252(a)(1)

8. Verizon will make the arrangements set forth in this filed Amendment, attached as Exhibit 1, available on the same terms and conditions to any other duly authorized telecommunications carrier operating within the State of Michigan.

9. The Amendment is the product of good faith, private negotiations between the parties. The Amendment is acceptable to both parties, and it shows that the two parties, negotiating in good faith under the terms of the Act, can arrive at a mutually beneficial business

arrangement that meets their individual business interests and furthers the cause of telecommunications competition in the State of Michigan. This is precisely the process Congress envisioned in the Act.¹ Thus, the Amendment is consistent with the public interest, convenience, and necessity.

10. Pursuant to Sections 252(a)(1) and 252(e) of the Act, AT&T and Verizon jointly request approval of their Joint Application without any public hearing or formal solicitation of comments. The Application and the Amendment provide the Commission with sufficient information to approve the Amendment under the standards of Section 252(e)(2)(A) of the Act.

THEREFORE, AT&T and Verizon jointly request Commission approval of the Agreement pursuant to Sections 252(a)(1) and 252(e) of the Act.

¹ S. Rep. No. 23, 104th Cong., 1st Sess, at pp. 19-20; see also Joint Explanatory Statement of the Committee of Conference at p. 125.

Respectfully submitted this 12th day of December 2005.

AMENDMENT

to

INTERCONNECTION AGREEMENTS

THIS AMENDMENT (this "Amendment"), effective as of September 1, 2005 (the "Effective Date"), amends each of the Interconnection Agreements (each, the "Agreement"; collectively, the "Interconnection Agreements") by and between each of the Verizon incumbent local exchange carrier ("ILEC") affiliates (individually and collectively "Verizon" or the "Verizon Parties") and each of the AT&T wireline competitive local exchange carrier ("CLEC") affiliates (individually and collectively "AT&T" or the "AT&T Parties"; Verizon and AT&T are referred to herein individually as a "Party" and collectively as the "Parties"). Attachment 1 hereto lists, to the best of the Parties' knowledge, the Interconnection Agreements in effect as of the Effective Date. The term "affiliates," as used in this Amendment, shall have the same meaning as under Rule 405 of the Rules promulgated pursuant to the Securities Act of 1933, as amended.

WITNESSETH:

WHEREAS, Verizon and AT&T are Parties to Interconnection Agreements under Sections 251 and 252 of the Communications Act of 1934, as amended (the "Act").

WHEREAS, the Parties wish to amend the Interconnection Agreements to reflect their agreements on certain unbundled loop rates and resale discount rates, as set forth in Attachment 2 hereto.

NOW, THEREFORE, in consideration of the above recitals and the mutual promises and agreements set forth below, the receipt and sufficiency of which are expressly acknowledged, each of the Parties, on its own behalf and on behalf of its respective successors and assigns, hereby agrees as follows:

1. Amendments to Interconnection Agreements. The Parties agree that the terms and conditions set forth in Attachment 2 hereto shall govern the Parties' mutual rights and obligations with respect to the provisions set forth therein. For the avoidance of any doubt, this Amendment shall also amend each new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to September 1, 2005, provided that in such instances the "Effective Date" of this Amendment shall be the date on which such Interconnection Agreement or adoption becomes effective. Further, the Parties agree that, if they establish new or replacement interconnection agreements that take effect prior to May 31, 2008 (including, for avoidance of doubt, interconnection agreements established through adoptions of other agreements under Section 252(i) of the Act) beyond those or replacing those

set forth in Attachment 1 hereto, they shall implement the terms of this Amendment into such new or replacement interconnection agreements.

2. Conflict between this Amendment and the Interconnection Agreements. This Amendment shall be deemed to revise the terms and provisions of the Interconnection Agreements to the extent necessary to give effect to the terms and provisions of this Amendment. In the event of a conflict between the terms and provisions of this Amendment and the terms and provisions of any of the Interconnection Agreements, this Amendment shall govern; ***provided, however,*** that the fact that a term or provision appears in this Amendment but not in an Interconnection Agreement, or in an Interconnection Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.

3. Counterparts. This Amendment may be executed in counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

4. Captions. The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or provision of this Amendment.

5. Joint Work Product. The Parties acknowledge that this Amendment is the joint work product of the Parties, that, for convenience, this Amendment has been drafted in final form by Verizon and that, accordingly, in the event of ambiguities in this Amendment, no inferences shall be drawn against either Party on the basis of authorship of this Amendment.

6. Scope of Amendment. This Amendment shall amend, modify and revise the Interconnection Agreements only to the extent set forth expressly in Section 1 of this Amendment, and, except to the extent set forth in Section 1 of this Amendment, the terms and provisions of the Interconnection Agreements shall remain in full force and effect after the Effective Date.

7. Termination. If a court or regulatory body of competent jurisdiction requires modifications to this Amendment, either Party shall have the right to terminate the Amendment after sixty (60) days advance written notice.

SIGNATURE PAGE

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed and delivered by their duly authorized representatives under seal.

Attachment 2 to Amendment to Interconnection Agreements

Terms and Conditions

- A. From the Effective Date through May 31, 2008, Verizon shall bill, and AT&T shall pay, the monthly recurring DS0 loop charges set forth in Appendix A to this Attachment 2, which charges shall replace the monthly recurring DS0 loop charges previously set forth in the Agreement for the same loop types in the same service territories. Appendix A to this Attachment 2 may contain rates and charges for (and/or reference) services, facilities, arrangements and the like that Verizon does not have an obligation to provide under the Agreement (e.g., services, facilities, arrangements and the like for which an unbundling requirement does not exist under 47 U.S.C. Section 251(c)(3)). Notwithstanding any such rates and/or charges (and/or references) and, for the avoidance of any doubt, nothing in this Amendment shall be deemed to require Verizon to provide such a service, facility, arrangement or the like that the Agreement does not otherwise require Verizon to provide, or to provide such a service, facility, arrangement or the like upon terms or conditions other than those that may be required by the Agreement.
- B. From the Effective Date through May 31, 2008, the discount rates applicable to the services that Verizon is required to make available to AT&T for resale pursuant to the Interconnection Agreements or Applicable Law shall be those discount rates set forth in Appendix B to this Attachment 2, notwithstanding any other resale discount rates that may go into effect in a particular state, whether by virtue of a change of law or pursuant to a tariff filed by Verizon. For the avoidance of doubt, this Amendment does not affect which services Verizon is obligated to provide to AT&T for resale under the Interconnection Agreements or Applicable Law, but only the discount rate at which Verizon makes any such resale service available under Section 251(c)(4) of the Act.
- C. Notwithstanding any other provision of the Interconnection Agreements, this Amendment, any applicable tariff or SGAT, or otherwise, the terms contained herein shall govern the relationship of the Parties with respect to the subject matter set forth herein, through May 31, 2008, and thereafter as well until such time as such terms are superseded by a subsequent Interconnection Agreement or Interconnection Agreement amendment effective after May 31, 2008. In case of the expiration or termination of an Interconnection Agreement prior to May 31, 2008, the terms contained herein shall nevertheless continue to remain in effect through May 31, 2008 and thereafter until such time as such terms are superseded by a subsequent Interconnection Agreement effective after May 31, 2008.
