At the October 5, 2022 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Tremaine L. Phillips, Commissioner
Hon. Katherine L. Peretick, Commissioner

ORDER

On May 27, 1999, the Commission issued an order (May 27 order) adopting an initial set of performance measures and benchmarks to be used in reviewing the compliance of Ameritech Michigan, now known as AT&T Michigan, with its obligation to provide nondiscriminatory access to its facilities and services, including unbundled network elements, to competitive local exchange carriers (CLECs). From time to time, the Commission has modified those performance measures and benchmarks in a number of subsequent orders. A collaborative group of interested stakeholders meets during regularly scheduled reviews to refine the performance measures and remedy plan. Participants in those collaborative efforts include AT&T Michigan, interested CLECs, and the staff from state regulatory commissions in Michigan, Illinois, Indiana, and Ohio. Changes agreed to are presented to the Commission for approval and adoption. The last Commission order issued in this proceeding was dated September 24, 2020. That order extended

the effective date of the then-current performance measures and remedy plan through December 31, 2022.

On September 1, 2022, AT&T Michigan filed a report on the 2022 performance measures and remedy plan collaborative review. In its report, AT&T Michigan states that during a collaborative review held via teleconference on August 9, 2022, AT&T Michigan proposed a 2-year extension, via an amendment, of the current Commission approved performance measures and remedy plan. Thus, the term would end December 31, 2024. There were no objections to AT&T Michigan's proposed 2-year extension. AT&T Michigan and the CLECs will incorporate the extension into their respective interconnection agreements and submit those for Commission approval.

The Commission finds that it should accept the extension of the current performance measures and remedy plan until December 31, 2024. All other provisions remain in effect.

THEREFORE, IT IS ORDERED that the current performance measures and remedy plan, as approved by the Commission in its September 24, 2020 order, is amended to extend their effective date through December 31, 2024.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 484.2203(12). To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscedockets@michigan.gov and to the Michigan Department of Attorney General - Public Service Division at pungpl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
