REPORT OF AT&T MICHIGAN
ON THE 2026 PERFORMANCE MEASURES
AND REMEDY PLAN COLLABORATIVE REVIEW

Michigan Bell Telephone Company d/b/a AT&T Michigan ("AT&T Michigan") hereby submits the following report on results of the Performance Measure Six Month Review Process that was held in 2026.

I. Preliminaries

On May 27, 1999, the Commission issued an order adopting an initial set of performance measures and benchmarks to be used in reviewing AT&T Michigan's obligation to provide nondiscriminatory access to its facilities and services. The Commission has modified these measures numerous times, most recently in a September 26, 2024 Order. A collaborative group of interested parties meets regularly to review the performance measures and remedy plan (§ 5.3). The September 26, 2024 Order approved the two-year extension of the Performance Measures and Remedy Plan approved in the October 5, 2022 Order. Competitive Local Exchange Carriers ("CLECs") and AT&T Michigan implemented the two-year extension via amendments to interconnection agreements ("ICAs") as requested by the CLECs ("2024 Amendment"). Pursuant to § 6.6 of the Remedy Plan, as amended by the 2024 Amendment, the Remedy Plan automatically ceases on December 31, 2026 unless the parties agree to extend the Plan via an amendment to their Interconnection Agreement or successor Agreement.

II. Collaborative Discussions And Agreed Upon Steps Forward

Pursuant to §§ 5.3 and 6.6 of the Remedy Plan, AT&T convened the collaborative to review and propose modifications to the performance measures based upon actual experience and to address the expiration of the Remedy Plan. The collaborative review was held via teleconference on September 25, 2026 for interested companies to participate. AT&T and a Representative of the Commission Staff for the State of Michigan attended the call. No companies attended the call. At the collaborative, AT&T proposed a 2-year extension, via an Amendment, of the current Commission approved and ordered Performance Measures and Remedy Plan. The term of the Remedy Plan, unless extended, is scheduled to end December 31, 2028. There were no companies in attendance to object to AT&T's proposed 2-year extension, via an Amendment, of the current Commission approved and ordered Performance Measures and Remedy Plan. Pursuant to §6.6 of the Remedy Plan, that extension must be effectuated via amendments to the interconnection agreements that incorporate the Remedy Plan.

AT&T committed to prepare an appropriate amendment and to provide notice to all CLECs via Accessible Letter. The Accessible Letter was distributed on September 28, 2026. *See* Exhibit 1. The template amendment, as referenced in the Accessible Letter, is available from AT&T upon request. *See* Exhibit 2.

III. Implementation

For CLECs with the current Remedy Plan included by reference in their interconnection agreements, remedy payments will continue uninterrupted if the CLEC requests the amendment by November 30, 2026 and returns the signed amendment by December 31, 2026. For CLECs that do not return the signed amendment by December 31, 2026, remedies will be suspended until the first full data month following full execution of the amendment per § 5.3 of the Remedy Plan. For example, if a CLEC signs and returns the Amendment on January 15, 2027, remedies

are effective with February 2027 performance data, which will be reported in March 2027 with any remedies due payable in April 2027.

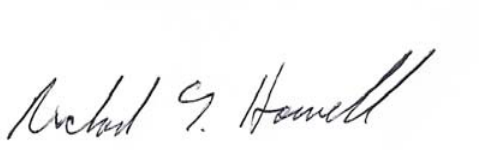

IV. Conclusion

Pursuant to AT&T's proposal at the September 25, 2026 collaborative, AT&T Michigan will continue with the current Performance Measures and Remedy Plan, without change, for an additional two (2) years until December 31, 2028. The parties will take action pursuant to § 6.6 of the current Remedy Plan to effectuate the agreed-to extension.

AMENDMENT TO INTERCONNECTION AGREEMENT BY AND BETWEEN <<TXTATTILECDBA>> AND <<TXTCXRLEGAL>>

This Amendment amends the Interconnection Agreement by and between <<txtATTILECDBA>> ("AT&T <<LBOXSTATES>>") If the AT&T ILEC name in the underlying agreement differs from the name under which the ILEC is now operating, insert the AT&T ILEC former name. Example: (previously referred to as "Indiana Bell" or "SBC Indiana") and <<txtCXRLegal>> ("CLEC"). AT&T <<LBOXSTATES>> and CLEC are hereinafter referred to collectively as the "Parties" and individually as a "Party". This Amendment applies in AT&T <<LBOXSTATES>>'s service territory in the State(s) of <<LBOXSTATES>>.

WITNESSETH:

WHEREAS, AT&T <<LBOXSTATES>> and CLEC are Parties to an Interconnection Agreement under Sections 251 and 252 of the Telecommunications Act of 1996, as amended (the "Act"), as executed by the last Party on <<txtLastPartySignedDate>> (the "Agreement"); and

WHEREAS, AT&T <<LBOXSTATES>> conducted a collaborative open to members of the CLEC community and representatives of the state Commissions staffs for Illinois, Indiana, Michigan, Ohio and Wisconsin for the purpose of discussing a successor Remedy Plan for the AT&T Midwest Region (Collaborative Review). The AT&T Midwest Region proposal was for a 2-year extension, via an Amendment, of the current Commission approved and ordered Performance Measures and Remedies Plan (the "Plan") for the States of Illinois, Indiana, Michigan, Ohio and Wisconsin; and

WHEREAS, there were no objections in the Collaborative Review to AT&T's proposed 2-year extension, via an Amendment, of the current Commission approved and ordered Performance Measures and Plan.

NOW, **THEREFORE**, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. The term of the Plan shall be extended for two (2) years ending December 31, 2028.

2. Conflict between this Amendment and the Agreement. This Amendment shall be deemed to revise the terms and conditions of the Agreement only to the extent necessary to give effect to the purpose of this Amendment, which is to extend the term of the Plan. In the event of a conflict between the terms and conditions of this Amendment and the terms and conditions of the Agreement, this Amendment shall govern, *provided, however,* that the fact that a term or condition appears in this Amendment but not in the Agreement, or in the Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict.

3. Scope of Amendment. This Amendment shall amend, modify and revise the Agreement only to the extent set forth expressly in paragraph 1 of this Amendment. All other terms and conditions of the Agreement remain in full force and effect for the duration of the term of the Agreement, including but not limited to termination rights of the Parties. Nothing in this Amendment shall be deemed to extend or otherwise modify the term of the Agreement, or to affect the rights of the Parties to exercise any right of termination under the Agreement.

   USE THE APPROPRIATE EFFECTIVE DATE LANGUAGE FOR THE STATE AND DELETE WHAT IS NOT APPLICABLE For Illinois, Indiana and Michigan: This Amendment shall be filed with and is subject to approval by the state Commission and shall become effective ten (10) days following approval by such Commission. For Ohio: Based on the Public Utilities Commission of Ohio Rules, the Amendment is effective upon filing and is deemed approved by operation of law on the 91st day after filing. For Wisconsin: Pursuant to Wisconsin Statute § 196.40, this Amendment shall become effective ten (10) calendar days after the mailing date of the final order approving this Amendment ("Effective Date").
