Illinois Bell Telephone Company, LLC d/b/a AT&T ILLINOIS; Indiana Bell Telephone Company, LLC d/b/a AT&T INDIANA; Michigan Bell Telephone Company d/b/a AT&T MICHIGAN; The Ohio Bell Telephone Company, LLC d/b/a AT&T OHIO; and Wisconsin Bell, LLC d/b/a AT&T WISCONSIN (collectively, AT&T Midwest Region) hereby provide notice of the AT&T Midwest Remedy Plan ("The Plan") 2-Year Extension Amendment. This Amendment is available for Interconnection Agreements ("ICAs") that have incorporated The Plan. (The Plan itself can be found at CLEC Online, https://clec.att.com/clec, on the *Public PM Documents* page of the Performance Measures section.)

In accordance with the relevant terms and conditions for your state[1], AT&T Midwest Region's obligation for liquidated damages pursuant to The Plan will automatically cease on December 31, 2026, unless it is extended via amendment. CLECs with ICAs that have The Plan incorporated are advised to contact the Negotiations Request mailbox listed above to obtain the Extension Amendment if they choose to have The Plan continue.

In order for a CLEC to continue to receive remedies prescribed in The Plan without interruption, the CLEC must request the 2-Year Extension Amendment by November 30, 2026, and sign and return the executed amendment by December 31, 2026. Effective January 1, 2027, remedies will not be paid to CLECs who have not returned an executed Extension Amendment by December 31, 2026. For example, if a CLEC signs and returns the Amendment on January 15, 2027, remedies are effective with February 2027 performance data which will be reported in March 2027 with remedies due being payable in April 2027.

[1] See Section 6.5 of The Plan in Ohio, Wisconsin, and Indiana, and Section 6.6 of The Plan in Illinois and Michigan.
