RE: MPSC Case No. U-12133
CHOICE Education – Annual Reconciliation

Dear Ms. Wideman:

On October 11, 2001, the Michigan Public Service Commission issued an Order in Case No. U-12133 approving a settlement agreement. Paragraph 14 of the agreement states that participating companies shall file an annual reconciliation for the education program on April 1 of each year from 2002 through 2005, if needed. The report will reconcile revenue and expenses for the program during the preceding calendar year. Please accept this letter as Edison Sault Electric Company's annual reconciliation.

During 2002, Edison Sault collected \$48,934 from its customer education surcharge. Expenditures under the customer education program during 2002 were \$0, leaving a balance of \$48,934 for future expenditures.

Please contact me if you have any questions concerning this annual reconciliation.

Very truly yours,

Lee M. Baatz
