Re: MPSC Case No. U-12478

Dear Ms. Kunkle:

Please be advised that the Association of Businesses Advocating Tariff Equity (“ABATE”) supports DTE Electric Company’s plan to reduce the securitization surcharge to \$0.00, effective with the January 2015 billing cycle. The Commission should do so without a hearing, but in the ordering paragraph, the Commission should specifically require a final reconciliation as outlined by DTE Electric Company. Further, the Commission should require that the final reconciliation be supported by Testimony and Exhibits and be conducted as a contested case.

Thank you for your attention to this matter.

Very truly yours,

CLARK HILL PLC
