Re: MPSC Case No. U-12595; Notice of Withdrawal

Dear Ms. Wideman:

On November 2, 2000, the Commission issued an order in MPSC Case No. U-12478 authorizing, among many other things, the ratemaking necessary to implement the provisions of Section 10d of 2000 PA 141, MCL 460.10d. The Commission's order resolved all ratemaking issues addressed by Detroit Edison in the application and testimony filed in this proceeding on September 1, 2000. Therefore, Detroit Edison hereby withdraws its application and testimony filed in this case and requests that the docket be terminated.

This proceeding has not been noticed for public hearing although several parties have filed petitions to intervene based on service of Detroit Edison's filing. Detroit Edison will notify those parties of its intention to withdraw the case.

Please contact me if you have any questions.

Very truly yours,
