Dear Judge Nickerson:

**Re: MPSC File Nos. U-12649, U-12650, U-12651, U-12652, U-12655
Settlements**

On behalf of all of the parties in the above cases, this letter serves to verify that all cases in the above-consolidated dockets have been resolved except Case No. U-12650. In U-12650 all issues have been resolved except a narrow issue involving a return to service provision. A settlement in that case will be executed which indicates this issue is unresolved and will be litigated. You will be hearing from the parties in U-12650 to verify filing dates and a hearing date. You will also be receiving settlement documents in all of the above cases by next week. This letter further verifies that it will be unnecessary for any party to file rebuttal testimony on July 19, 2001, and that the August 15th hearing date will not be needed.

Please contact me if you have any questions or need to clarify the status of the above cases.

Sincerely,

Larry G. Watterworth (P28440)
