Re: Case No. U-12893, Michigan Consolidated Gas
Company's 2000 Income Sharing Calculation

Dear Ms. Wideman,

In its Order dated April 28, 1998 in Case No. U-11682, the Commission approved an income sharing mechanism for Michigan Consolidated Gas Company (MichCon) during the three-year gas customer choice pilot program. In its Order dated October 12, 1998 in Case No. U-11782, the Commission approved MichCon's application to implement performance standards to be used in conjunction with MichCon's income sharing mechanism. On March 30, 2001, Michigan Consolidated Gas Company filed its 2000 Income Sharing Calculation and Exhibits in Case No. U-12893. Parties have thirty days from the March 30th filing date to request a hearing regarding the calculations included in MichCon's filing. This letter is notice that the Michigan Public Service Commission Staff does not intend to request a hearing on Michigan Consolidated Gas Company's March 30, 2001 filing.

Sincerely,

Michael J. Kidd, Director
Gas Division
