Re: Semi-Annual Personnel Transfer Report  
MPSC Case No. U-20675

Dear Ms. Felice:

Mich Admin Code R 460.10105(b), provides that utilities file with the Commission a semi-annual report on personnel transfers.

“A utility may transfer employees between the utility and an affiliate alternative electric supplier providing the utility documents those transfers and files semi-annually with the commission a report of each occasion on which an employee of the utility became an employee of an affiliate alternative electric supplier and/or an employee of an affiliate alternative electric supplier became an employee of the utility.”

During calendar year 2023 to-date and since the filing of the prior report, DTE Electric Company did not have any affiliate alternative electric suppliers.
