At the June 15, 2006 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. J. Peter Lark, Chairman
Hon. Laura Chappelle, Commissioner
Hon. Monica Martinez, Commissioner

ORDER CLOSING DOCKET

On January 25, 2005, the Commission ordered The Detroit Edison Company (Detroit Edison) to file a report by February 4, 2005, summarizing the circumstances surrounding the outage at its Fermi 2 Nuclear Generating facility (Fermi 2) north of Monroe, Michigan. The outage was contained and posed no immediate health or safety concerns to the general public, but the potential loss of generation capacity from the 1,150 megawatt plant was a matter of concern for the Commission.

On February 4, 2005, Detroit Edison filed its report with descriptions of the cause of the event, the condition of the Fermi plant, and plans to return the plant to service. Detroit Edison's report included cost estimates of \$14.6 million for replacement power for the two-week period between January 24 and February 7, 2005. An estimate of \$800,000 in operations and maintenance costs related to the outage was also reported.

In light of the comments filed by Detroit Edison, Fermi's timely return to generating status, and the Commission's ability to consider the reasonableness and prudence of the replacement power cost issue in the context of Detroit Edison's 2005 power supply cost recovery reconciliation proceeding, Case No. U-14275, the Commission finds that this docket should be closed.

The Commission FINDS that:

a. Jurisdiction is pursuant to 1909 PA 106, as amended, MCL 460.551 *et seq.*; 1919 PA 419, as amended, MCL 460.51 *et seq.*; 1939 PA 3, as amended, MCL 460.1 *et seq.*; 1969 PA 306, as amended, MCL 24.201 *et seq.*; and the Commission's Rules of Practice and Procedure, as amended, 1999 AC, R 460.17101 *et seq.*

b. The docket in Case No. U-14420 should be closed.

THEREFORE, IT IS ORDERED that the docket in Case No. U-14420 is closed.

The Commission reserves jurisdiction and may issue further orders as necessary.
