RE: Trinsic Communications, Inc.
Case No. U-14899

Dear Mr. Isiogu:

Please accept this letter, filed on behalf of Trinsic Communications, Inc., in the above-mentioned Case regarding the implementation of provisions of Section 301a of 2005 PA 235 and the offering of residential primary basic local exchange service in compliance with the amended Michigan Telecommunications Act.

Trinsic Communications, Inc. filed a PBLES compliant service in its tariff in accordance with the Michigan Telecom Act. The product provides for a local exchange line and unlimited calling for a monthly rate of \$27.49.

The company does not actively market this service but does offer it to inquiring customers and has trained customer service personnel who can respond to questions and prepare service orders based on a customers decision to purchase this service.

The company does not track inquiries, however the company notes that as of May 1, 2006 there are 19 customers subscribed to the stand-alone local only service.

Please acknowledge receipt of this filing by date stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided. Any questions you may have pertaining to this filing may be directed to me at (407) 740-8575 or via email at mbyrnes@tminc.com. Thank you for your assistance.

Sincerely,

Monique Byrnes
Consultant to Trinsic Communications, Inc.
