

MPSC Case No. U-14754

Exhibit DOM-108

**ASATT DEDICATION OF RESERVES
OTSEGO COUNTY**

ANTRIM GAS SERVICE AGREEMENT

This Dedication Agreement made effective October 1, 1997, between MICHCON GATHERING COMPANY ("MichCon Gathering") and Shell Western E&P Inc. ("SWEPI") and Shell Onshore Ventures Inc. ("SOVI"), (individually and/or collectively "Producer"). Producer confirms the terms of its dedication of those projects identified on Attachment 1 to the gas transportation service and gas treating service provided by MichCon Gathering on its Antrim Expansion Project ("AEP").

The parties agree as follows:

1. Producer hereby dedicates to the gas transportation service and gas treating service provided by MichCon Gathering on the AEP pursuant to the Antrim Gas Service Agreement dated September 12, 1994, all of the natural gas produced from the Antrim shale formation which Producer owns or has the right to dispose of and is produced from the unitized acreage set forth on Attachment 1 ("Dedicated Reserves"). Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Attachment 1. MichCon Gathering has no obligation to provide firm transportation on the AEP for any Antrim Gas delivered or caused to be delivered by Producer that is not covered by this Dedication Agreement.
2. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and

effect. This Agreement may be modified or amended only by a writing duly executed by both parties.

3. This Agreement cancels and supersedes the parties' Dedication of Antrim Reserves Agreement dated September 12, 1994.
4. Producer retains the right to call for in-kind the CO₂ attributable to this dedicated acreage, and MichCon has the obligation to deliver same, at the tailgate of CO₂ treating plants operated under the applicable Michigan Consolidated Gas Company Antrim Service Agreement, with piping connection to the plant vent line to be at Producer's expense.

As between the parties, Producer will indemnify, defend and save MichCon Gathering and its affiliates harmless from all suits, actions, damages, costs and expenses related to adverse claims of any and all third parties to the CO₂ or royalties related to CO₂ removed from Producer's gas when Producer takes the CO₂ in kind or receives value therefor over and above the removal of the CO₂ from Producer's gas.

5. MichCon will make a good faith effort to preserve for Producer all of Producer's processing rights as to natural gas liquids produced from the reserves dedicated under this agreement.

IN WITNESS WHEREOF, the parties have caused this Dedication Agreement to be executed this 18th day of December, 1998.

DEDICATION OF ANTRIM RESERVES

This letter agreement between Mich Con Gathering Company ("Mich Con"), 500 Griswold Street, Detroit, Michigan 48226, North Michigan Land & Oil Corporation, P.O. Box 3419, Traverse City, Michigan 49685-3419, North Michigan Gas & Oil, A Limited Partnership, P.O. Box 3419, Traverse City, Michigan 49685-3419, Nielson Enterprises Corp., P.O. Box 3419, Traverse City, Michigan 49685-3419, Nielson Enterprises Limited Partnership, P.O. Box 3419, Traverse City, Michigan 49685-3419, Dale M. Nielson, P.O. Box 3419, Traverse City, Michigan 49685-3419, David E. Nielson, P.O. Box 1661, Gaylord, Michigan 49738, CMK Enterprises, Inc., P.O. Box 3419, Traverse City, Michigan 49685-3419, J & J Properties, Inc., P.O. Box 3419, Traverse City, Michigan 49685-3419, and Gerald J. Talbot, 80 West Corral, Saginaw, Michigan 48603 ("Producers"), their heirs, personal representatives, successors and assigns (collectively, the "Parties"), confirms our agreement concerning the dedication of certain natural gas reserves for transportation or transportation and treating on the Antrim Header System ("Antrim Service"). This Agreement is effective as of November 6, 1995. The Parties agree as follows:

1. To the extent that the natural gas herein referred to has not been previously dedicated by Producers to Mich Con, Producers hereby dedicate to the transportation and treating services provided by Mich Con on the Antrim Header System all of the natural gas produced from the Antrim Shale formation which Producers own or control and is produced from the acreage set forth on Exhibit A ("Dedicated Reserves"), attached. Producers represent that each Producer either owns an interest in valid leases covering all or part of the gas interests in or under the real property described on Exhibit A, or that it has the legal right to dedicate such interest with respect to that real property.
2. All parties hereby affirm that the natural gas herein referred to is either being purchased by Michigan Consolidated Gas Company at the wellhead or is being transported and treated under that certain Antrim Gas Transportation and Treating Service Agreement entered into between Mich Con and Howard Energy Co., Inc. dated November 6, 1995, ("Agreement") and Mich Con hereby agrees that Producers shall be entitled to have all of said natural gas transported and treated on the Antrim Header System on a firm basis in the future event that said natural gas is no longer being

Liber 00392 Page 0166

purchased by Michigan Consolidated Gas Company at the wellhead or in the further future event that the transportation and treatment of said natural gas is no longer covered by the above identified Agreement and a mutually satisfactory transportation and treatment agreement covering said natural gas is entered into between Mich Con and the Producers.

3. When the gas herein referred to is no longer transported or treated by Mich Con on the Antrim Header System, the dedication herein provided for shall terminate.
4. This Agreement constitutes the entire agreement between Mich Con and Producers concerning the Antrim Service. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the Antrim Service hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.

This Agreement may be executed in counterpart and shall be binding upon all parties executing the same, their heirs, personal representatives, successors and assigns, whether or not executed by all parties owning an interest in the referenced area.

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

Sincerely,

WITNESSES:

Agreed to and accepted this
31st day of December, 1996.

DEDICATION OF ANTRIM RESERVES

**This letter agreement between Michigan Consolidated Gas Company ("MichCon")
and**

**Devonian Energy, Inc. ("Producer") (collectively,
the "Parties") confirms our agreement concerning the dedication of certain natural
gas reserves for transportation or transportation and treating on the Antrim Header
System ("Antrim Service"). The Parties agree as follows:**

- 1. Producer hereby dedicates to the transportation and treating services provided by MichCon on the Antrim Header System all of the natural gas produced from the Antrim shale formation which it owns or controls and is produced from the unitized acreage set forth on Exhibit A ("Dedicated Reserves"). Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Exhibit A.**
- 2. If Producer or Producer's shipper requests Antrim Service for gas produced from the acreage dedicated under this Agreement, and (1) if Antrim Service is not provided within 90 days of the request for the reason that MichCon's Antrim Header System has insufficient pipeline or CO₂ treating capacity for reasons other than force majeure or initial construction, or (2) if MichCon provides notice of insufficient capacity within 90 days of the request, then MichCon will release from dedication to this Agreement such production in excess of capacity at the earlier of its notice or the end of the 90 day period. MichCon shall provide such notice as soon as is reasonably possible when it has reasons to believe that there will be insufficient capacity.**
- 3. It is the intent of the Parties that the dedication of reserves provided for in this Agreement is a transfer of an interest in the real property described on Exhibit A and, as such, shall bind all subsequent transferees of any interests in that real property. Accordingly, on or before 90 days following the date Producer signs this Agreement, Producer agrees to execute an instrument(s), as may be required and prepared by MichCon at MichCon's sole expense, in proper recordable form, that will place any such subsequent transferees on notice that they are bound by this Agreement and to record such instrument(s) in the appropriate governmental office. Producer agrees to**

provide MichCon with a copy of the recorded instrument promptly following recordation.

4. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.
5. This Agreement is specifically conditional upon the issuance, by April 15, 1995, of a final order in MPSC Case No. U-10547 granting MichCon a certificate of public convenience and necessity ("Certificate") allowing MichCon to provide the Antrim Service, and an in-service date of January 1, 1996 for the pipeline authorized by the Certificate. If both of conditions are not met, this Agreement shall be null and void.
6. This Agreement cancels and supersedes any prior agreement which dedicates or could be construed to dedicate reserves to be transported by MichCon as part of its Antrim Service.

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

Sincerely,

Agreed to and accepted this

DEDICATION OF ANTRIM RESERVES

This letter agreement between Michigan Consolidated Gas Company ("MichCon") and
Samson Natural Gas Company ("Producer") (collectively, the
"Parties") confirms our agreement concerning the dedication of certain natural gas
reserves for transportation or transportation and treating on the Antrim Header System
("Antrim Service"). The Parties agree as follows:

1. Producer hereby dedicates to the transportation and treating services provided by MichCon on the Antrim Header System all of the natural gas produced from the Antrim shale formation which it owns or controls and is produced from the unitized acreage set forth on Exhibit A ("Dedicated Reserves");* Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Exhibit A.
2. If Producer or Producer's shipper requests Antrim Service for gas produced from the acreage dedicated under this Agreement, and (1) if Antrim Service is not provided within 90 days of the request for the reason that MichCon's Antrim Header System has insufficient pipeline or CO₂ treating capacity for reasons other than force majeure or initial construction, or (2) if MichCon provides notice of insufficient capacity within 90 days of the request, then MichCon will release from dedication to this Agreement such production in excess of capacity at the earlier of its notice or the end of the 90 day period. MichCon shall provide such notice as soon as is reasonably possible when it has reasons to believe that there will be insufficient capacity.
3. It is the intent of the Parties that the dedication of reserves provided for in this Agreement is a transfer of an interest in the real property described on Exhibit A and, as such, shall bind all subsequent transferees of any interests in that real property. Accordingly, on or before 90 days following the date Producer signs this Agreement, Producer agrees to execute an instrument(s), as may be required and prepared by MichCon at MichCon's sole expense, in proper recordable form, that will place any such subsequent transferees on notice that they are bound by this Agreement and to record such instrument(s) in the appropriate governmental office. Producer agrees to provide MichCon with a copy of the recorded instrument promptly following recordation.

*Subject to a mutually agreeable transportation and treating service agreement. In addition, MichCon and Producer recognize that a third party transporter transports Antrim gas to the Antrim Header System and as such Producer dedicates Producer's applicable reserves at the interconnect of the Antrim Header System and the Spartan Intrastate Pipeline System.

4. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.
5. This Agreement is specifically conditional upon the issuance, by April 15, 1995, of a final order in MPSC Case No. U-10547 granting MichCon a certificate of public convenience and necessity ("Certificate") allowing MichCon to provide the Antrim Service, and an in-service date of January 1, 1996 for the pipeline authorized by the Certificate. If both of conditions are not met, this Agreement shall be null and void.
6. This Agreement cancels and supersedes any prior agreement which dedicates or could be construed to dedicate reserves to be transported by MichCon as part of its Antrim Service. This agreement can in no way be construed as a release from any natural gas purchase and sale agreements between the parties.

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

Sincerely,

Agreed to and accepted this

DEDICATION OF ANTRIM RESERVES

This letter agreement between Michigan Consolidated Gas Company ("MichCon") and Samson Natural Gas Company ("Producer") (collectively, the "Parties") confirms our agreement concerning the dedication of certain natural gas reserves for transportation or transportation and treating on the Antrim Header System ("Antrim Service"). The Parties agree as follows:

1. Producer hereby dedicates to the transportation and treating services provided by MichCon on the Antrim Header System all of the natural gas produced from the Antrim shale formation which it owns or controls and is produced from the unitized acreage set forth on Exhibit A ("Dedicated Reserves").* Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Exhibit A.
2. If Producer or Producer's shipper requests Antrim Service for gas produced from the acreage dedicated under this Agreement, and (1) if Antrim Service is not provided within 90 days of the request for the reason that MichCon's Antrim Header System has insufficient pipeline or CO₂ treating capacity for reasons other than force majeure or initial construction, or (2) if MichCon provides notice of insufficient capacity within 90 days of the request, then MichCon will release from dedication to this Agreement such production in excess of capacity at the earlier of its notice or the end of the 90 day period. MichCon shall provide such notice as soon as is reasonably possible when it has reasons to believe that there will be insufficient capacity.
3. It is the intent of the Parties that the dedication of reserves provided for in this Agreement is a transfer of an interest in the real property described on Exhibit A and, as such, shall bind all subsequent transferees of any interests in that real property. Accordingly, on or before 90 days following the date Producer signs this Agreement, Producer agrees to execute an instrument(s), as may be required and prepared by MichCon at MichCon's sole expense, in proper recordable form, that will place any such subsequent transferees on notice that they are bound by this Agreement and to record such instrument(s) in the appropriate governmental office. Producer agrees to provide MichCon with a copy of the recorded instrument promptly following recordation.

*Subject to a mutually agreeable transportation and treating service agreement. In addition, MichCon and Producer recognize that a third party transporter transports Antrim gas to the Antrim Header System and as such Producer dedicates Producer's applicable reserves at the interconnect of the Antrim Header System and the Spartan Intrastate Pipeline System.

4. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.
5. This Agreement is specifically conditional upon the issuance, by April 15, 1995, of a final order in MPSC Case No. U-10547 granting MichCon a certificate of public convenience and necessity ("Certificate") allowing MichCon to provide the Antrim Service, and an in-service date of January 1, 1996 for the pipeline authorized by the Certificate. If both of conditions are not met, this Agreement shall be null and void.
6. This Agreement cancels and supersedes any prior agreement which dedicates or could be construed to dedicate reserves to be transported by MichCon as part of its Antrim Service. This agreement can in no way be construed as a release from any natural gas purchase and sale agreements between the parties.

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

DEDICATION OF ANTRIM RESERVES

This letter agreement between Michigan Consolidated Gas Company ("MichCon") and

WPS Energy Services, Inc. ("Producer") (collectively, the "Parties") confirms our agreement concerning the dedication of certain natural gas reserves for transportation or transportation and treating on the Antrim Header System ("Antrim Service"). The Parties agree as follows:

1. Producer hereby dedicates to the transportation and treating services provided by MichCon on the Antrim Header System all of the natural gas produced from the Antrim shale formation which it owns or controls and is produced from the unitized acreage set forth on Exhibit A ("Dedicated Reserves"). Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Exhibit A.
2. If Producer or Producer's shipper requests Antrim Service for gas produced from the acreage dedicated under this Agreement, and (1) if Antrim Service is not provided within 90 days of the request for the reason that MichCon's Antrim Header System has insufficient pipeline or CO₂ treating capacity for reasons other than force majeure or initial construction, or (2) if MichCon provides notice of insufficient capacity within 90 days of the request, then MichCon will release from dedication to this Agreement such production in excess of capacity at the earlier of its notice or the end of the 90 day period. MichCon shall provide such notice as soon as is reasonably possible when it has reasons to believe that there will be insufficient capacity.
3. It is the intent of the Parties that the dedication of reserves provided for in this Agreement is a transfer of an interest in the real property described on Exhibit A and, as such, shall bind all subsequent transferees of any interests in that real property. Accordingly, on or before 90 days following the date Producer signs this Agreement, Producer agrees to execute an instrument(s), as may be required and prepared by MichCon at MichCon's sole expense, in proper recordable form, that will place any such subsequent transferees on notice that they are bound by this Agreement and to record such instrument(s) in the appropriate governmental office. Producer agrees to

provide MichCon with a copy of the recorded instrument promptly following recordation.

4. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.
5. This Agreement is specifically conditional upon the issuance, by April 15, 1995, of a final order in MPSC Case No. U-10547 granting MichCon a certificate of public convenience and necessity ("Certificate") allowing MichCon to provide the Antrim Service, and an in-service date of January 1, 1996 for the pipeline authorized by the Certificate. If both of conditions are not met, this Agreement shall be null and void.
6. This Agreement cancels and supersedes any prior agreement which dedicates or could be construed to dedicate reserves to be transported by MichCon as part of its Antrim Service, *including any prior dedication of such reserves by Wolverine Gas & Oil, Inc.*

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

Sincerely,

Agreed to and accepted this

DEDICATION OF RESERVES

ASATT Services Montmorency County

This Dedication Agreement made as of this 1st day of January, 1999, between MichCon Gathering Company ("MichCon Gathering") and Guardian Energy Management Corp. its heirs, personal representatives, successors and assigns (collectively "Producers").

In consideration for transportation and CO₂ treating services provided on the Antrim Expansion Project Pipeline System ("Pipeline") and subject to the mutual covenants and agreements set forth in this Dedication Agreement, the parties agree as follows:

1. Producers dedicate to the transportation and CO₂ treating services provided by MichCon Gathering, all of the natural gas produced from the Devonian age Antrim shale formation which Producers own or control and is produced from the unitized acreage and land described on Attachment 1 ("Dedicated Reserves"). Producers represent that they either own valid leases covering the interests in or under, or that they have the legal right to dedicate, the real property described on Attachment 1. MichCon Gathering has no obligation to provide firm transportation and CO₂ treating services on the Pipeline for any Antrim Gas delivered or

caused to be delivered by Producers that is not covered by this Dedication Agreement.

2. This Dedication Agreement is effective as of January 1, 1999.
3. It is the intent of the parties that the dedication of reserves provided for in this Dedication Agreement runs with the real property described on Attachment 1 for the term of the Antrim Gas Service Agreement (ASATT 55) dated January 1, 1999, between Michigan Consolidated Gas Company and Guardian Energy Management Corp., including any extensions thereto, and, as such, binds all subsequent transferees of any interests in that real property. Accordingly, Producers agree that this document may be recorded by MichCon Gathering in the appropriate governmental office in order to place any such subsequent transferees on notice that they are bound by this Dedication Agreement. MichCon Gathering will provide Producers with a copy of the recorded instrument promptly following recordation.
4. This Dedication Agreement and the Transportation and Treating Agreement under which Producers' gas is shipped constitute the entire agreement between MichCon Gathering and Producers concerning dedication of reserves for transportation on the Pipeline. This Dedication Agreement supersedes all other prior understandings, representations, promises, undertakings, agreements or inducements, whether written or oral, concerning dedication of reserves for transportation on the Pipeline. This Dedication Agreement may be modified or amended only in writing and signed by both parties.
5. This Dedication Agreement may be executed in counterpart and shall be binding upon all parties executing the same, their heirs, personal representatives, successors and assigns,

whether or not executed by all parties owning an interest in the real property referenced in Attachment 1.

IN WITNESS WHEREOF, the parties have caused this Dedication Agreement to be executed as of the date first written above.

Exhibit DOM-118

DEDICATION OF ANTRIM RESERVES

This letter agreement between Michigan Consolidated Gas Company ("MichCon")
and

IS Inc. ("Producer") (collectively,
the "Parties") confirms our agreement concerning the dedication of certain natural
gas reserves for transportation or transportation and treating on the Antrim Header
System ("Antrim Service"). The Parties agree as follows:

1. Producer hereby dedicates to the transportation and treating services provided by MichCon on the Antrim Header System all of the natural gas produced from the Antrim shale formation which it owns or controls and is produced from the unitized acreage set forth on Exhibit A ("Dedicated Reserves"). Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Exhibit A.
2. If Producer or Producer's shipper requests Antrim Service for gas produced from the acreage dedicated under this Agreement, and (1) if Antrim Service is not provided within 90 days of the request for the reason that MichCon's Antrim Header System has insufficient pipeline or CO₂ treating capacity for reasons other than force majeure or initial construction, or (2) if MichCon provides notice of insufficient capacity within 90 days of the request, then MichCon will release from dedication to this Agreement such production in excess of capacity at the earlier of its notice or the end of the 90 day period. MichCon shall provide such notice as soon as is reasonably possible when it has reasons to believe that there will be insufficient capacity.
3. It is the intent of the Parties that the dedication of reserves provided for in this Agreement is a transfer of an interest in the real property described on Exhibit A and, as such, shall bind all subsequent transferees of any interests in that real property. Accordingly, on or before 90 days following the date Producer signs this Agreement, Producer agrees to execute an instrument(s), as may be required and prepared by MichCon at MichCon's sole expense, in proper recordable form, that will place any such subsequent transferees on notice that they are bound by this Agreement and to record such instrument(s) in the appropriate governmental office. Producer agrees to

provide MichCon with a copy of the recorded instrument promptly following recordation.

4. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.
5. This Agreement is specifically conditional upon the issuance, by April 15, 1995, of a final order in MPSC Case No. U-10547 granting MichCon a certificate of public convenience and necessity ("Certificate") allowing MichCon to provide the Antrim Service, and an in-service date of January 1, 1996 for the pipeline authorized by the Certificate. If both of conditions are not met, this Agreement shall be null and void.
6. This Agreement cancels and supersedes any prior agreement which dedicates or could be construed to dedicate reserves to be transported by MichCon as part of its Antrim Service.

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

Sincerely,

Agreed to and accepted this

MPSC Case No. U-14754

Exhibit DOM-119

DEDICATION OF ANTRIM RESERVES

This letter agreement between Michigan Consolidated Gas Company ("MichCon") and FORCE ANTRIM DEVELOPMENT, INC. ("Producer") (collectively, the "Parties") confirms our agreement concerning the dedication of certain natural gas reserves for transportation or transportation and treating on the Antrim Header System ("Antrim Service"). The Parties agree as follows:

1. Producer hereby dedicates to the transportation and treating services provided by MichCon on the Antrim Header System all of the natural gas produced from the Antrim shale formation which it owns or controls and is produced from the unitized acreage set forth on Exhibit A ("Dedicated Reserves"). Producer represents that it either owns valid leases covering the interests in or under, or that it has the legal right to dedicate, the real property described on Exhibit A.
2. If Producer or Producer's shipper requests Antrim Service for gas produced from the acreage dedicated under this Agreement, and (1) if Antrim Service is not provided within 90 days of the request for the reason that MichCon's Antrim Header System has insufficient pipeline or CO₂ treating capacity for reasons other than force majeure or initial construction, or (2) if MichCon provides notice of insufficient capacity within 90 days of the request, then MichCon will release from dedication to this Agreement such production in excess of capacity at the earlier of its notice or the end of the 90 day period. MichCon shall provide such notice as soon as is reasonably possible when it has reasons to believe that there will be insufficient capacity.
3. It is the intent of the Parties that the dedication of reserves provided for in this Agreement is a transfer of an interest in the real property described on Exhibit A and, as such, shall bind all subsequent transferees of any interests in that real property. Accordingly, on or before 90 days following the date Producer signs this Agreement, Producer agrees to execute an instrument(s), as may be required and prepared by MichCon at MichCon's sole expense, in proper recordable form, that will place any such subsequent transferees on notice that they are bound by this Agreement and to record such instrument(s) in the appropriate governmental office. Producer agrees to provide MichCon with a copy of the recorded instrument promptly following recordation.

4. This Agreement constitutes the entire agreement between MichCon and Producer concerning the subject matter hereof. Any prior understandings, representations, promises, undertakings, agreement or inducements, whether written or oral, concerning the subject matter hereof not contained herein shall have no force and effect. This Agreement may be modified or amended only by a writing duly executed by both parties.
5. This Agreement is specifically conditional upon the issuance, by April 15, 1995, of a final order in MPSC Case No. U-10547 granting MichCon a certificate of public convenience and necessity ("Certificate") allowing MichCon to provide the Antrim Service, and an in-service date of January 1, 1996 for the pipeline authorized by the Certificate. If both of conditions are not met, this Agreement shall be null and void.
6. This Agreement cancels and supersedes any prior agreement which dedicates or could be construed to dedicate reserves to be transported by MichCon as part of its Antrim Service.

If this correctly sets forth our agreement, please indicate your agreement and acceptance on the bottom of this letter and return it to me.

Sincerely,

Agreed to and accepted this

DEDICATION OF RESERVES

**Transportation Services
Oscoda County**

This Dedication Agreement made as of this 1st day of December, 1998, between MichCon Gathering Company ("Transporter") and Elmira Antrim Company, its heirs, personal representatives, successors and assigns (collectively "Producers").

In consideration for transportation services provided on the Antrim Expansion Project Pipeline System ("Pipeline") and subject to the mutual covenants and agreements set forth in this Dedication Agreement, the parties agree as follows:

1. Producers dedicate to the transportation services provided on the Pipeline, all of the natural gas produced from the Devonian age Antrim shale formation which Producers own or control and is produced from the unitized acreage and land described on Attachment 1 ("Dedicated Reserves"). Producers represent that they either own valid leases covering the interests in or under, or that they have the legal right to dedicate, the real property described on Attachment 1. Transporter has no obligation to provide firm transportation on the Pipeline for any Antrim Gas delivered or caused to be delivered by Producers that is not covered by this Dedication Agreement.

2. This Dedication Agreement is effective as of December 1, 1998.
3. It is the intent of the parties that the dedication of reserves provided for in this Dedication Agreement runs with the real property described on Attachment 1 for the life of the Dedicated Reserves and, as such, binds all subsequent transferees of any interests in that real property. Accordingly, Producers agree that this document may be recorded by Transporter in the appropriate governmental office in order to place any such subsequent transferees on notice that they are bound by this Dedication Agreement. Transporter will provide Producers with a copy of the recorded instrument promptly following recordation.
4. This Dedication Agreement and the Transportation Agreement under which Producers' gas is shipped constitute the entire agreement between Transporter and Producers concerning dedication of reserves for transportation on the Pipeline. This Dedication Agreement supersedes all other prior understandings, representations, promises, undertakings, agreements or inducements, whether written or oral, concerning dedication of reserves for transportation on the Pipeline. This Dedication Agreement may be modified or amended only in writing and signed by both parties.
5. This Dedication Agreement may be executed in counterpart and shall be binding upon all parties executing the same, their heirs, personal representatives, successors and assigns, whether or not executed by all parties owning an interest in the real property referenced in Attachment 1.

IN WITNESS WHEREOF, the parties have caused this Dedication Agreement to be executed as of the date first written above.
