RE: BullsEye Telecom, Inc.
Case No. U-14899

Dear Mr. Isiogu:

Please accept this letter, filed on behalf of BullsEye Telecom, Inc., in the above-mentioned Case regarding the implementation of provisions of Section 301a of 2005 PA 235 and the offering of residential primary basic local exchange service in compliance with the amended Michigan Telecommunications Act.

BullsEye Telecom, Inc. is not a provider of residential services and as such filed but later withdrew its PBLES service offering after discussions with Thomas Saghy of Staff. The company understands its obligations in the state should the company move its marketing efforts and product offerings to include any residential services.

Please acknowledge receipt of this filing by date stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided. Any questions you may have pertaining to this filing may be directed to me at (407) 740-8575 or via email at mbyrnes@tminc.com. Thank you for your assistance.

Sincerely,

Monique Byrnes
Consultant to BullsEye Telecom, Inc.
