Subject: U14899

T² Communications responds to the commission order U-14899 as follows:

The company advises the Michigan Public Service Commission that T² Communications is fully capable of providing Primary Basic Local Exchange Service herein after referred to as PBLES. T² Communications has had the capability to provide PBLES since April 1st, 2006, as required by section 304 of the Michigan Telecommunications Act and the commission's order in case number U-14731.

The company has established the rates and terms of its PBLES offering and has received the commission's approval of its filed tariff sheets on April 11th, 2006. T² Communications has prepared its systems and personnel to offer and provide PBLES to requesting customers. The company's billing system is capable of properly billing for PBLES. Company's employees are fully apprised of the particulars of PBLES and are fully prepared to explain the service to the customers and prospects. Customers desiring to sign up for PBLES may do so, and the company will provide PBLES to such customer.

To date the company has received (0) zero requests for PBLES of either prospects or customers. We currently have (0) zero subscribers as of May 1st, 2006.

Sincerely

Gerardo Tonini
