Re: Case No. U-14861

Dear Mr. Koudelka:

This is in response to your recent petition with 578 signatures to the Michigan Public Service Commission regarding the application of International Transmission Company, d/b/a ITC Transmission, for a certificate of public convenience and necessity to construct a transmission line other than a major transmission line in Genoa, Hartland, Oceola, Milford and Brighton townships. Because this case is now being litigated before the Commission, I am responding to your comments.

A prehearing conference was held on July 13, 2006 at 9:00 a.m. at the Michigan Public Service Commission's Lansing office to determine future hearing dates and other procedural matters. A public hearing is scheduled on August 21, 2006 at 6:00 p.m. at the Hartland Educational Support Service Center, Performing Arts Center, 9525 Highland Rd., M-59, Howell, Michigan. A copy of the notice is enclosed.

Thank you for your comments. Please be assured that your petition has been placed in our file for this case and is available to the Commission for review.

Sincerely,

Mary Jo Kunkle
Executive Secretary
